SCREEN PROTECTION FILM (AG)

Features & Benefits

This screen protection film is cut precisely to fit the tablet and is easy to install and remove without leaving a sticky residue. With anti-glare coating, it not only protects the screen from the rigors of daily use but also helps to diffuse light on the screen and reduces glare, providing effortless readability for displayed information under common ambient lighting conditions.

Product Information

Dimensions : L 184 x W 114 x D 0.15 mm
Main Material: PET
