

F5-Series Accessories

A Host of FIELD-READY ACCESSORIES

Take your Motion® F5-Series Rugged Tablet PC's productivity to the next level with Motion's customized accessories - improving your workflow through comfort, mobility and connectivity.

ClipCarry

This ergonomic carrying solution clasps securely onto the back of the tablet to provide alternate methods for carrying and holding the device when in use.

Docking Station

The full-featured, mountable, desktop docking station, includes a battery charging bay for keeping batteries charged and ready.

Additional Battery

An additional battery is the perfect companion when working for extended periods of time away from a power outlet. The LED power meter eliminates guessing.

Mobile Dock

With the Mobile Dock mounting/docking solution, your F5-Series Tablet PC can be mounted in almost any location. Offering full port replication and charging capability, the powered dock is perfect for field connectivity. Now available with locking mechanism providing added security.

Auto/Air Power Adapter

Provide power to your F5-Series Tablet PC no matter where your job takes you.

Ask about the rugged edition for an even more durable power solution.

Battery Charger

Always have an extra battery ready. Functioning as an external bay to charge additional batteries, the battery charger gives you the capability of all day performance. The charger's LED indicates battery charge status.
