

# K120

## FULLY RUGGED 12.5" TABLET

Large 12.5" IPS LumiBond® 2.0 sunlight display  
8th generation Intel® Core™ processor  
Hot-swappable battery design  
Intel UHD graphics 620  
Full-size 88 key detachable backlit keyboard  
Optional integrated 4G LTE broadband wireless  
802.11ac next generation WiFi  
MIL-STD 810G and IP65 certified  
Industry-leading bumper-to-bumper warranty

### 8th Gen Intel Core Processor.

With the latest Intel Core i5 or Intel Core i7 processor, the K120 rugged tablet was designed for speed and efficiency. Clocking in at up to 1.9GHz and with Turbo Boost speeds up to 4.2GHz, the K120 has the power needed for the most demanding tasks.

### Built to Survive

Built from high quality magnesium alloy, the K120 features an exterior case that is specifically engineered to protect the computer against drops, shocks, spills, vibration and more. The sealed design of the K120 protects it against dust and moisture. The K120 has been independently tested and certified to MIL-STD 810G, IP65 and MIL-STD 461G standards.

### Large 12.5" IPS Display.

The K120 features a large 12.5" IPS FHD display that utilizes our revolutionary LumiBond 2.0 technology to achieve a display that is more readable, and offers better contrast and more crisp colors than any other rugged tablet display. The 12.5" widescreen display is ideally suited providing plenty of real estate to run Windows and view your apps.

### Dual Hot-Swappable Batteries.

The K120's unique, hot-swappable battery design allows for potentially infinite, uninterrupted battery life. This enables you to remove one of the two rechargeable batteries and replace it with a fresh battery without ever shutting down apps or your Windows OS.

### Full-Size 88 Key Detachable Keyboard.

Unlike our competitors' products that have small keyboards with small keys, the K120 features a full-sized 88-key detachable backlit keyboard with standard-sized keys. The K120 lets you type the way you're used to typing.

### Bumper-to-Bumper Warranty.

Accidents happen. Only Getac offers bumper-to-bumper coverage standard on every K120 rugged tablet.
