Automated Citation Issuance System

Make Your Job Easier With:

- Reduce manual entry of citation data into Court and Police records systems
- Eliminates illegible and incomplete citations
- Simple screen design for fast citation issuance
- Minimize data entry by scanning DL and vehicle registration
- Pre-defined lists for easy selection of violations, locations, and makes/models
- Capture of violator's and officer's signature directly on the handheld
- Add up to 25 custom data items
- Agencies can make data hidden or mandatory
- Print citations to a mobile printer
- Optional reporting of racial profiling information
- Pre-defined notes, officer comments, and voice recordings may be added to citation
- Handheld camera takes pictures of the stop
- Quick sketch diagramming tool
