

MilDef DF10

MilDef DF10

A fully rugged handheld device where performance and long lasting operation in demanding environments are key. The MilDef DF10 is made to last longer and to be supported long after your ordinary commercial handheld unit have reached its end of life.

Customizable

Are you looking for additional features and functions? MilDef specializes in customized solutions, to include change of connectors, chassis modifications, mounting solutions, etc. Contact your nearest MilDef Sales Office and we will help you tailor a solution to meet your exact requirements.

Guaranteed performance

MilDef products are designed for the long lifecycles of military programs and come with a lifetime support program to ensure your equipment maintains peak performance for many missions to come.

We also guarantee the availability of spare parts for an additional 5 years after product end-of-life.
